## ANNUAL STATISTICS FOR YEAR 2010

**Institution Name** \_\_\_\_\_

**Person Preparing report** \_\_\_\_\_ **date** \_\_\_\_\_

For the following statistics, report on the cohort of students who began Opticianry courses in your program during your school's definition of an academic year of 2007 – 2008.

Examples:

- 1) Include a student who took general education courses before fall 2007 but no Opticianry courses until fall of 2007.
- 2) Include a student who transferred to your program from some other Opticianry program who had Opticianry credits transferred from that other program, but who took Opticianry courses at your school for the first time during your academic year of 2007 - 2008.
- 3) Do not include a person who took one or more Opticianry courses from your program in or before your academic year 2006 – 2007.

**(A)** Number of degree students who began Opticianry courses during your academic year 2007 – 2008: \_\_\_\_\_

**(B)** Of the students reported in (A), the number who have graduated with the associate degree, or who you reasonably expect to graduate with the associate degree by the end of your academic year 2009-10: \_\_\_\_\_

**(C)** Of the students reported in (A), the number who will not have graduated by the end of your academic year 2009-10, but who are still actively taking courses toward your associate degree: \_\_\_\_\_

**Retention: (B+C)/A** \_\_\_\_\_ % (calculated by Reader)

**(D)** Of the students reported in (B+C), the number who have taken the National Opticianry Competency Examination (ABO): \_\_\_\_\_

**(E)** Of the students reported in (D), the number who passed the National Opticianry Competency Examination (ABO): \_\_\_\_\_

**ABO pass rate: E/D** \_\_\_\_\_ %(calculated by Reader)

(F) Of the students reported in (B+C), the number who have taken the National Contact Lens Examination (NCLE): \_\_\_\_\_

(G) Of the students reported in (F), the number who passed the National Contact Lens Examination (NCLE): \_\_\_\_\_

**NCLE pass rate: G/F \_\_\_\_\_ %(calculated by Reader)**

**If your state collects and reports pass rate statistics for your graduates, have your state board forward that information to the Commission and do not fill in H, I or J.**

(H) Of the students reported in (B+C), the number who took your state board licensing examination (if in a licensed state): \_\_\_\_\_

(I) Of the students reported in (H), the number who passed your state board licensing examination (if in a licensed state): \_\_\_\_\_

(J) The total state board licensing rate, statewide: \_\_\_\_\_ %  
(Not just your graduates, everyone statewide, if in a licensed state.)

**State Board pass rate: I/H \_\_\_\_\_ %(calculated by Reader)**

(K) Of the students reported in (B), the number who are working in Opticianry or a related field: \_\_\_\_\_

**Graduates Employed in the Eye Care profession: K/B**
